THANK YOU BOB AND AMY TUCKER

We are blessed to have a great church that loves our teenagers. Last month the Tuckers hosted a pizza night for our youth group. If you see them around church be sure to say thank you.

We had a great time together playing putt putt earlier that afternoon. I appreciate the opportunity to get to know your teenagers. Days like this are very important, and foster relationships that can lead to changed lives.

This summer we will be doing a lot together, and I would encourage all of you to be as involved as you can be. A good youth group is more than a church gathering, it is a family. You are missed when you are not here, and God can use each one of you to help Southside Baptist Church be the body of Christ.
