## Youth Rise Up

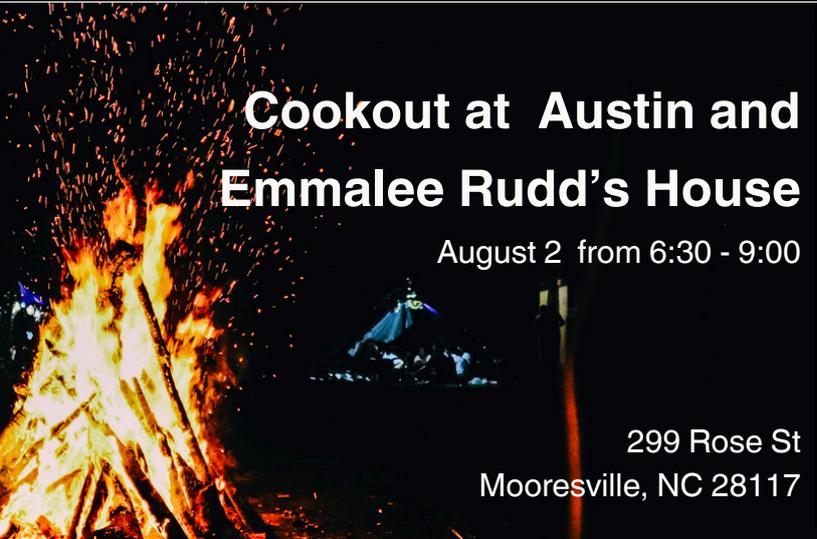

Youth Sunday and Youth Rise up will be the same day this year!

We have had a very good summer, and God has shown up in a number of really cool ways in our student ministry. I can't wait to see how he continues to grow and stretch us heading into the fall.

On August 17 we will combine our Youth Rise up and Youth Sunday into one amazing day. We will welcome new 7<sup>th</sup> graders into the youth ministry, say goodbye to our seniors, and be able to share with the church how God has shown up in our lives over the summer.

As a part of Youth Sunday our students will have the opportunity to be involved in the service in a variety of ways from greeting, taking up the offering, leading in worship, and sharing about what they have learned and experienced this summer. Start praying now about what God may be nudging you to share. Your story may be the encouragement someone needs to start attending our youth group, or to take their next step in their relationship with Jesus.

After the service we will head to the lake to enjoy the afternoon together. More details will be coming soon about that!
